Dear Boys & Girls Clubs Supporters:

It is with great pleasure that I share OneWest Foundation, the public benefit corporation established by OneWest Bank FSB, will join "Team Los Angeles," the Boys & Girls Clubs of LA county, as a matching sponsor for the Be Great Fan Challenge. OneWest Foundation is pledging up to \$100,000 by matching \$1 for every \$2 raised through the end of the friendly competition, this Sunday, June 20th.

OneWest Bank employees will also participate in the challenge, putting momentum behind the Los Angeles County Clubs with an individual giving campaign. This is a wonderful opportunity to raise awareness and support for the Boys & Girls Clubs which provide high quality programs and services to our local youth. We are proud to support the Clubs and we call on the great business community and corporate leaders of Los Angeles and also Boston to join us.

Please consider making a contribution from your own organizations, which will have an instant 50% appreciation, before Sunday. You can designate your investment to a Club of your choice online or by speaking with the Club's CEO. We will give \$1 to the LA Alliance, benefiting all Clubs in the County, for every \$2 you give your Club.

The challenge has been made. It's been a phenomenal week with Magic Johnson and "Showtime" Lakers legends Michael Cooper and AC Green and LA Mayor Villaraigosa raising awareness and garnering media coverage. Now it's our turn.

Be Great, give today, and let's win a victory on and off the court for our home Clubs!

Sincerely,

Steven T. Mnuchin
Chairman
OneWest Foundation and OneWest Bank, FSB
